SPECIAL PRICE LIST 919 MID-CONTINENTAL NURSERIES.

FAIRBURY, NEBRASKA.

The prices herein are for trees and plants delivered, freight or express prepaid to any railroad station in Nebraska, Kansas, Iowa, Missouri. eastern Colorado; or South Dakota. Except where noted, the single rate is given as it requires less time to make estimates on a bill. No order will be prepaid if less than \$10.00 in amount; but persons ordering less than that amount may deduct 10 per cent from the list price and pay the transportation charges themselves.

## TERMS.

Cash with the order; or one-fourth the amount in advance if goods are desired C. O. D.; agents selling under contract and using this list will be furnished with a special collector at each delivery of \$100.00 and over until our money is collected; deliveries of less than that amount may be made, but sufficient, money to cover cost of goods used in the same should be sent us before shipment.

# FACILITIES.

We have two great lines of railroad at Fairbury: The C. R. I. & P., and the St. J. & G. I. Division of the U. P., we are also in close proximity to the B. & M. R. R. at Kesterson. Express shipments can be made over the Adams, United States and Pacific.

#### GUARANTEE.

Every precaution will be taken to have trees true to name, but we reserve the right to substitute varieties equally as good when we are out of any particular variety. Trees and plants that die during the first FIVE years will be replaced at half price, provided cash accompanies the list of stock that has died.

### OUR STOCK

Is grown on land naturally fertile, but no artificial fertilizers are used to cause a rank growth of imperfectly ripened wood to be injured by the frosts of the following winter. Nebraska is fast gaining a justly deserved reputation for the excellence of her fruit trees and plants; nowhere can be found healthier, better trees. This, together with our careful grading, handling, and packing will insure success to the person who plants our trees. We are always glad to correspond with persons who are thinking of planting an orchard. While our prices are not the lowest, we give one hundred cepts worth of stock for every dollar; and our five year guarantee will cover any difference between our prices and those of other nurseries. It is poor economy to buy a poor tree at any price.

Yours very truly,

Mid-Continental Nursery Co.

# CHOICE COLLECTIONS.

In order to meet the demand for enough trees to plant a complete orchard at one time, we have decided to offer special lots, named below, at \$5, \$10, \$25, and \$100. Should you desire thirty dollars' worth, order the \$25 and \$5 collections; thirty-five, the \$25 and \$10 and so forth.

These collections will all contain our very best trees, but we reserve the right of selecting varieties, as we believe we can give you varieties that will prove more satisfactory to you than if you made the selection yourself. In ordering, all that is necessary is to say, "Collection No. 1, \$5;" we will know what you want. Agents do not need to specify in their orders the number of each kind of tree, but simply enter the order as

The \$100 collection is packed in a neat box and will be shipped separate from other orders in the same delivery.

We have proportioned the various kinds of trees in what we consider about the proper thing for a good family orchard. Of course the \$100 order has a larger proportion of stock than is grown for commercial orchards, and not so many little items that are necessary to have in the family orchard.

Here is what we can give you:

## COLLECTION NO. 1.

Price \$5, contains:

Ten Apple, 3 to 4 feet; 1 Cherry, 3 to 4 feet; 1 Pear, 3 to 4 feet; 2 Peach, 3 to 4 feet; 3 Early Harvest Blackberry; 3 Fay's Currant, 3 Worden Grape, 3 Winona Raspberry, 50 Bubach's Strawberry. Regular retail price \$6.30.

#### COLLECTION NO. 2.

Price \$10, contains. (For city planting).

One Tree Currant, 2 Tree Blackberry, 1 Tree Gooseberry, 1 Tree Raspberry, 1 Champion Peach. 1 New Prolific Peach. Regular retail price \$12.

#### COLLECTION NO. 3.

Price \$10, contains: (For Country planting).

Twenty-five, Apple, 3 to 4 feet; 2 Cherry, 3 to 4 feet; 2 Pear, 3 to 4 feet; 4 Peach, 3 to 4 feet; 6 Early Harvest Blackberry, 6 Fay's Currant, 3 Worden Grape, 3 Elvira Grape, 6 Winona Easpberry, 50 Bubach Strawberry, 50 Jessie Strawberry.

#### COLLECTION NO. 4.

Price \$25, containing. (For country planting).

One hundred Apple, 3 to 4 feet, 50 special, 50 common: 3 Pear, 4 to 5 feet; 10 Cherry, 4 to 5 feet; 3 Plum, 4 to 5 feet; 10 Gooseberry, 10 Currant, 10 Raspberry, 50 Strawberry.

Regular retail price \$29.30.

# COLLECTON NO. 5.

Price \$100. (For a commercial orchard).

Two hundred Apple, 5 to 6 feet; 100 Peach, 5 to 6 feet; 50 Pear, 5 to 6 Regular price \$127.50
